

REPORT FOR PTA MEETING

A Parent-Teacher Association (PTA) Meeting was conducted on 7th October 2026 for all Undergraduate (UG) and Postgraduate (PG) students. The meeting witnessed the active participation of parents, faculty members, and students.

The programme commenced with a warm welcome to all the dignitaries and parents. The Principal delivered the presidential Address and explained the syllabus pattern, examination system, and minimum pass marks for First-Year UG students. She also emphasized the importance of regular attendance, highlighting that attendance marks are included in the internal assessment marks of First-Year UG students. She encouraged students to attend classes regularly and give due importance to their academic responsibilities.

The Secretary addressed the gathering and highlighted the importance of student discipline, good conduct, and commitment to studies. She stressed that maintaining discipline and focusing on academic performance are essential for students' overall development. The meeting provided an opportunity for parents to raise their queries, which were addressed and clarified by the Secretary.

Following the meeting, parents visited their respective departments to review their wards' marks and academic performance with the faculty members. This interaction enabled parents to understand their wards' progress and strengthened communication between parents and teachers. The meeting served as a valuable platform to promote academic awareness, discipline, regular attendance, and effective collaboration between parents and the institution for the overall development of students.
